Would you like to tell us about a lower price? Within the last two decades, however, the idea of adaptation fidelity has been challenged by a number of critics who refute the existence of an original text and promote the notion of an ambiguous and complex relationship between a literary work and its film adaptation.

Would you like to tell us about a lower price? A flawed but fascinating examination of the relationship between a literary work and its film adaptation. Read more Read. Log in to rate this item.
