Once the zigzagging hormones and endless, bleary-eyed exhaustion of the first year have worn off, you're left with the startling realization that your tiny, immobile bundle has become a rampaging toddler, complete with his or her very own, very forceful personality. Tiger Mom or Cool Mom? I enjoyed reading about her views on raising a toddler and the transition from Feb 11, Alycia rated it it was amazing Shelves: This was a great summer pool read for a new mom who could use a few laughs and a reminder not to take life too seriously. She's irreverent and foul-mouthed, but she really can make you chuckle at some of the most stressful parts of being a parent. Jul 16, Laura rated it really liked it. If you consider yourself a good girl, don't bother with this one, 'cause you likely just won't get it.
