It basically says that being a gymnast takes effort, and you are gonna be sore and tired. The book spans over about a year of Kim's life while she is dealing with an eating disorder. The mandatory hospitalization and ensuing therapy put Kim on the path to recovery. A deadly secret the republic will kill to keep hidden. Is it supposed to be for teens with eating disorders, or maybe their friends?

If I feel that I should start to read more diaries because I really didn't know how the setting is where the story takes place and the setting of this book is in Arizona during the summer!
