This is perhaps the largest value of this book- both for the the author as well as the reader- that our days, which are littered with trip-ups, pain and doubt, also offer up the seeds of personal epiphany and compassion, things which have true value only when we engage with. Although a new book is typically free of any faults or defects, "new AddtowishlistE-mailalinktothisbook. The story is told through the eyes of Steve Cohen, a news legend who helped launch and mentor countless television journalists and news executives as they rose and fell in the competitive, technically expanding newsroom environment and culture of the s and.
