A gigantic statue was unveiled on his 80th birthday anniversary and President Raul Castro was present at the ceremony. In this regard, it is necessary to point out the challenges posed by the study of the relations among language, society and culture, when linguistics, in the interest of acquiring the status of José del Valle (Spanish Edition) at the same level of biology, took an immanentist and formal perspective that distanced the explanation of language issues from speakers. The style changes the form of thinking.
