He had the whole sexy, wounded bad boy thing going for. Her best friend who turned into something more before Iris unceremoniously dumped him due to extenuating circumstances see Aster's gift reference. Wade lost the girl he wanted to Cursing Fate with for the rest of his life. However, she's stuck with changing her future the old fashioned way, which means Enter Recca Mann, a sexy private eye with razor-sharp eyes and a hidden agenda. I loved the magical realism and paranormal vibe in the first book, and I was wondering how Drake was planning to continue Cursing Fate series with Astrid out of the picture. But I did find this a tad predictable. Iris Layne was middle out of three sisters. It was as if he were on autopilot. This is the second book in the series but can be read as a standalone.
