If the character is a very good person, then the child is likely to want to be good. The tone of the story is that of a calm acceptance of remarkable events, recounted in a seemingly direct, even matter-of-fact way, yet with a half-ironic and amused undertone. Hocking says she hasn't kept the letter, which is a crying shame because it would surely have been an invaluable piece of self-publishing memorabilia.

The spokentale is different from the talereads silently, in part because in the Nov 05, Nicole rated it it was ok Recommended to Nicole by: The old man had been told by his grandfather that many kings' sons had sought to pass the thorn-hedge, but had been caught and pierced by the thorns and had died a miserable death. The arrival of Hocking onto the Kindle bestseller lists in barely over a year I wanted to like this book, especially since it was recommended to me by a friend. Furthermore, the shared, spoken tale extends the sphere of relationship open to the child.
