Life is too short to waste your time and energy on people who make you feel like crap. Looking to calm your dog down without embarrassing yourself or having to get prescription medication? A lot of business is reactive, and dealing with issues as they arise. Give it a try. Your relationship should be something that propels you forward. Life is too short to waste your time and energy on people who make you feel like crap. In this article I show a situation where a choice had to be made for the benefit of all involved.
