It's interesting to hear the varied perspectives. I recommend this
book for everyone who wants to get basic information on the
Industry. If you are a seller for this product, would you like
to suggest updates through seller support?
Customers who viewed this item also viewed. This is a great book for
those who are striving to understand Workers' Compensation. I
really enjoyed the interview style the author chose, I felt
like I was reading a transcript, but not as boring:
