Rombauer's grandson with the aid of a host of professional cooks. Escoffier was born in near Nice. Read this for my culinary history reading group in Dec.

And how would I imagine the story of a cookbook would be so complex and dramatic? Fully as enjoyable as it is erudite, and that's saying a lot. Some of them literally did not know how to boil water, hence the step by step directions which included "stand facing the stove. Read 'Joy of Cooking'. Lists with This Book. I think she did a good job. The author clearly had a wealth of information, and perhaps the discussion of writing "The Joy of Cooking" was good, but I didn't get that far.
