Butcher really pulled out all the stops with this one, blowing me away with his wildly creative world building. Alongside her is her cousin Benedict Sorrellin-Lancaster, a warriorborn cat-like, with excellent fighting skills and fitness. For those of us who love cats there are some chuckles. So as you can probably guess. Perhaps if you would like to continue to enjoy this there will be a bowl of cream outside every morning. Fast paced action, interesting world building, memorable characters, cool magic. Such hats often signified humans who considered themselves important, which was adorable for the first few moments and trying ever . He seemstonailcatsexactly. When I first heard of this series, my initial reaction was, Steampunk?
