I subscribe to his blog. Would you like to report this content as inappropriate? It's kind of funny to mark a cookbook as completely read, but I've perused the whole book and have made several dishes from each section, so I think that's about as good as it gets with a cookbook.

Nov18, NichelleCrockerrated it it was amazing. Hundredsofhisnutritionvi

It has some good swap in items to replace common things you may rely on and a good set of recipes to implement the diet. You need to stay on top of what you have in your refrigerator, and plan out times for cooking the veggies that looked so fresh at the store, but are fading a day or so later.
