That is, do you infringe any third party patents, trade marks or designs? The key is to be aware of intellectual property rights and their potential to assist in market exclusivity or competitive advantage whilst managing the associated risks as far as your business is concerned.

That is, do you infringe any third party patents, trademarks or designs? Our attorneys have advised food and beverage technology clients for years, guiding them on protecting their IP using a combination of patents, trade secrets, copyrights, and trademarks. Where your IP rights and revenues need the most savvy strategic direction and protection, Volpe and Koenig is there to meet and exceed your needs.

Whether it be branding, patentable technology, design of packaging, a trade mark, or a trademark, are renewals and filings that need attention over the years in order for your assets to continue to be protected, so seek professional advice to make sure you do not miss deadlines. Businesses need to consider intellectual property as a metric of financial and cultural performance.
