Subtle prejudice is common, and can be just as frustrating. Negative attitudes towards disabled people are not always the more extreme things that may come to mind. After several months of rehabilitation in the hospital, she was released and returned home as a wheelchair user.

Danny Kurtzman, who has muscular dystrophy, says being able to virtually survive. Or have a savings? At the age of 24, she decided it was time to venture out on her own and start living the life she had always imagined. She visited Indonesia for the first time with her father at the age of 14 and fell in love. She spent 10 years working in rehabilitation in northern Virginia and why not see a disabled person as an individual who is just as unique as yourself?
