In October Amazon announced that the Voyage and future e-readers would not support active content because most users prefer to use apps on their smartphones and tablets, but the Paperwhite first generation and earlier Kindles would continue to support active content. Apr 01, Ketan Ramteke rated it it was amazing.

Whether in good condition or not, Kindles should not be disposed of in normal waste. Battery life is advertised at up to two months of reading half an hour a day with the wireless turned off, which amounts to roughly 30 hours. This book was pretty interesting.

Infounder and CEO of Amazon Jeff Bezos tasked his employees to build the world's best e-reader. Paperwhite 3 is the first e-reader to include the Bookerly font, a new font designed by Amazon, and includes updated formatting functions such as hyphenation and improved spacing.
