Winning the Right War has 8 ratings and 2 reviews. Tom said: Philip Gordon has intelligent criticism of the Bush administration's War On Terror and outli.

In this paradigm-shifting book, Philip H. Gordon presents a new way of thinking about the war The Path to Security for America and the World.

The Bush administration's framing of the United States' post-9/11 national security challenge as a "war on terror" has profoundly influenced the nation's.

This book is not yet featured on Listopia. He offers a positive vision of the world after the war on terror, which will end not when we kill or capture all potential terrorists but when their hateful ideology collapses. Further, my sense is that even if his suggestions were followed precisely, the United States would remain vulnerable. WinningtheRightWar: He draws a provocative parallel between the war on terror and the Cold War, showing how defense, development, diplomacy, and the determination to maintain our own values can again be deployed alongside military might to defeat a hostile and insidious ideology. Set up a giveaway. As this book makes clear the advocates of this strategy were monumentally ill-informed about the nature of the enemy, the geo-political realities of the Near East, and, most fundamentally, the nature of Islam. Yetthelessonshedrawsfromhistoryaremostlikelyplattitudes:Mybook"CommonShift America's emphasis in the Middle East.
