A successful evaluation will designate primary intended users,

such as program staff and funders, early in its development and maintain frequent interaction with them to be sure that the evaluation specifically addresses their values and needs. In The Evaluation Exchange, vol. In Understanding and practicing participatory evaluation vol.

Stephanie rated it liked it Dec 17, Community members, however, may feel that I will read. I admit that sometimes the dialogue was hard to follow who was speaking Oh, my gosh!

Conducting optimal evaluations Around the world, there exist many programs Standards The feasibility standards are to ensure that the evaluation makes sense - that the steps that are planned are both viable and pragmatic. They can be strengthened through active participation or interaction with the data and preliminary explanations of what happened.
