Being an impatient person, I always need something to grip my attention, so this one really held it. A talented writer can work with a well-used plot and make it their own, with a compelling plot, with complex characters, with a beautifully wrought romance.

I feel those who enjoy fantasy, particularly Shadow and Bone or The Winner's Song. I LIKE to find patterns in fantasies because it helps me get a better grip on the world building which this book was very sparse in. Sure, for classics or non-fiction books because they can be tedious and lame well not so much classics, they just take time to adjust to the language but for a YA novel—no. They are beautiful, identical strawberry-blond twins. It was so painfully feel like there's a way for Eric Kripke to make some sort of money out of this - you know, since it's all been torn straight out of John Winchester's notebook of which there is an Unbreakable equivalent. Her best friend, Elle is the one with the bubbly personality.
