See how we experimented with one bar of soap and turned it into either soap foam or soap slime! Not only are these preschool science experiments and awesome introduction to higher learning concepts, they spark curiosity.

Step-by-step text, photographs and videos explain everything, and there's I will encourage my son about this hope so he will enjoy it.

Some of them use IAP in an ethical way too:

SampleworkMathematicsKStage5:AtoZHomesCool. This science activity will have you on the edge of your seat! Loading comments... Trouble loading?
