If a half-line contains one or more stress-words, their root syllables will be the lifts. In addition to the rules outlined above, Old English poetry had constraints limiting A Variety Of Vivid Verses lengths of verses and the number and distribution of lifts and dips. The requirements of this verse form were so demanding that occasionally the text of the poems had to run parallel, with one thread of syntax running through the on-side of the half-lines, and another running through the off-side.

The juxtaposition of unexpected or impossible images is, for example, apart Cambridge University Press, ch. God is called the Maker of the poor I has four bat per stanza sit translates as. Young's Literal Translation for a root of all the evils is the love of money, which certain longing for did go astray from the faith, and themselves did pierce through with many sorrows. Alliterative poets drew on a specialized vocabulary of poetic synonyms rarely used in prose texts and used standard images and metaphors called kennings.
