E gli raccontai la mia storia. To support Member States, significant funding is offered.

Notable examples of such quality services are: Following an invitation address

The United Nations has recently published a report on the arms embargo decreed in Libya, which, given the reality of the situation there, is rather more theoretical than practical.

The plan will streamline the Veneto transport system and efficiently connect areas that are important for tourism and for their natural beauty, enhancing their resources and making it easier for tourism operators to do their work.

The use of these words, in fact, distinguishes Camilleri from other Sicilian

any risk of modal shift would appear to be even less marked than previously assessed.
