I was a bit anxious because this was Nicholas story, and I was not ready for him to move on so soon after his beloved mate Rozaline had died, I was pleasantly surprised that the heroine Kitara has me not only sympathizing with her, but soon I found myself rooting for them to become a couple! Disa She knows she is different bu Once I started this book I could not put it down, i had to know what happen. Good book, enjoyed the twist of Nicolas finding a new mate and that she is a witch who is strong enough to stand up to Nicolas.
