Rethinking Information Literacy Emma Coonan. This was the subject discussed by about 50 persons attending a one-day conference held at the Oslo College for Higher Education in May

Viewsexpressedarethoseofthereviewersanddonotnecessarilyreflectvie
These results cannot be interpreted too literally, but the general picture is that multicultural library services are given low priority in the professional code. In the cultural diversity that is Paris, there are several special libraries and research libraries with a wealth of multicultural material.
