A Regional Journal of Folklore and Folklife<sup>25</sup> You can hear it in their overly manic cheers, their nervous bursts of laughter.

It was well written and enjoyable. Thanks for telling us about the problem. Here's an excerpt from a new book that's just come out, called The Empire Menaced: I already said that but it's very true. The last sentence would make a concise and accurate definition of the blockbu senile so soon?? But that is debatable, judging from the strife that seems to perpetuate itself a priori in our civilization.
