While this phrase is beloved by reviewers, this one put his pen where his praise was? Refresh and try .

The process did eventually go into reverse. To say anything of substance about actual hours worked before is not for the faint-hearted; existing data is staggeringly scarce [Voth]. This study explores the intellectual understanding of the new importance of consumer goods as well as the actual consumer behavior of households of all income levels.

It is the striking difference between largely stagnant day wages on the one hand. Vries examines how the activation and evolution of consumer demand shaped the course of economic development, situating consumer behavior in the context of the household economy. I think it was meant as a compliment, despite the obvious thought that Reichsbank paper by was almost completely worthless.
