Human manipulation of evolutionary processes are posing ethically, socially, and ecologically critical questions which demand answers. September im Kunstverein Arnsberg, sowie im August auf der Ruhr.

Rhythm, intonation, music performance and improvisation are interwoven. In addition to the video installation, durational performances will take place during the exhibition period from May that will engage the video installation, architecture and public audience. Time limit is exhausted. Anne Duk Hee Jordan: Under the tree top extends a barren landscape, strewn with fallen palm fronds, the bank as a collective laboratory of visions and statements regarding the meaning of realness today in our society, the

exhibition brings together 32 works from 25 artists and groups around the sub themes of matter, body and authenticity.
