Kill the rat lurking there, then walk down CISTERN SECRETS steps and to the right. They've blocked off large parts of the cistern so you don't get to see the scale of the place. Or, stand with the slide to your back, back-flip onto the slide, and whilst there. After you're done, look around CISTERN SECRETS you may have missed some collectibles such as the Document hidden in the alcove along the wall. Jump across to the short elevated walkway ahead, from which you can kill the 2 crocodiles in the pool. Enter the small room and pick up the Large MediPack. If you need help right away, I recommend the Square Enix Tomb Raider Forum or any of the other message boards listed at tomraiders. Walk to the end and jump across CISTERN SECRETS the short elevated walkway ahead.
