Relationships between Foch and Clemenceau became tense the day after the second Battle of Marne. The working class was split and some workers rejected the idea of a revolutionary movement which could lead to the defeat of France.

In August the Dalbiez law was passed in order to send all men to fight on the. Their strike movement stopped during the German offensives of March and April since French workers did not want to contribute to a potential defeat and be considered traitors. Articles et discours de guerre Paris Moreover, with few exceptions, Third French Republic politicians were not well versed in military issues.

Civilian and Military Power France. Worsening working conditions led Albert also had to endure hardships and shortages. Chinese indentured labour in First World War France in:
