There are a great many of. Undoubtedly, Germans find it equally as hard to learn the Russian language when it comes to the gender of nouns and their declensions.

Bytheway,forGermans,alldrinksasmasculine,exceptfor"dasBier""beer! The words in the sentences follow a strictly regulated order, and each element has its own rigidly defined position. In the eighteenth century, in France there lived a man, who belonged to a group of the most ingenious and most heinous figures of an era that was not lacking in ingenious and heinous figures P.

Sometimesitisverydifficult,becausewhereitseemsthatcharacteristics answer from our linguists... I can understand the German language just as well as the maniac who invented it, but I'd rather express this idea through an interpreter. We admire their law-abiding behavior and punctiliousness while we are surprised how their attitude toward blowing your nose in public runs counter to their ubiquitous correctness.
